ALWAYS THE RIGHT EQUIPMENT FOR THE JOB

The benefits of making sure floors are well-prepared, clean and maintained speak for themselves. It not only creates a positive impression but also improves productivity and ensures compliance with health and safety regulations.

However, with so many options available choosing the best equipment for the job is less clear-cut. That's where our experts come in. We'll work with you to ensure you always have the most efficient solution now and in the future.

PARTNERING WITH SUNBELT RENTALS

EASY & FLEXIBLE RENTAL AGREEMENTS

Our tailored rental agreements provide an alternative to traditional leasing or buying machinery, giving you increased flexibility with reduced financial risk. Grow your operations with confidence without the need for upfront capital investment. Plus, when you hire floor care and maintenance equipment from us, there are no mobilisation or maintenance costs.

INDUSTRY-LEADING EQUIPMENT

Our fleet of new and innovative equipment has been hand-picked to provide maximum efficiency and reliability. From cleaning machines equipped with IRIS telematics, to autonomous scrubber-dryers and remote-controlled grinders and polishers. Our equipment is maintained to the highest standards. And if something does go wrong, we'll provide a replacement machine before your next shift.

WHITE GLOVE SERVICE

Our 360 managed service covers everything from site surveys and demonstrations to operator familiarisation and 24/7 support. With specialist advice on equipment selection you'll always have the most efficient and cost-effective solution for your application.

EXPERTISE & CAPABILITY

When you partner with us, you're working with a true rental specialist. We'll work with you to ensure you always have the right equipment, today and tomorrow. Our expert team takes care of everything leaving you free to concentrate on your core business.
